

Student Drop Off and Pick Up at Pickens High

Students are to be dropped off and picked up in the car line that begins at the entrance in front of the school (there is not pick up at drop off in the student parking lot which enters at the red light). Drivers should pull all the way up filling in to the end of the covered walkway to allow the largest number of students to load. No student is to be picked up or dropped off before or after school in the circle at the front of the school or in faculty parking. Students are asked to pay close attention to the car line so as not to delay the line once their parent arrives. Please be cautious when loading or unloading students as others may be walking between cars. If you rider does not arrive at your car in a timely manner, please pull all the way forward to enable other cars to load.
